He also noted that the 250th anniversary of the Town was upcoming and that it was not too early to consider a committee be set up to look into plans for same. Interested volunteers should contact the Selectmen.

4. Motion by Peter Whiting and seconded by David Andrezejewski to adjourn the meeting. (Voted - Yes)

A true record,

Virginia A. Corton,
Town Clerk

SELECTMEN'S REPORT
1981

Nineteen hundred eighty-one brought with it the completion of the Town Clerk's mobile office, located at the rear of the town hall.

The opening of the new office, early in August, culminated many discussions over the past years, as to the need for and location of the facility.

Perhaps the most major milestone of the year was the Sounding Boards' completion of the proposed Master Plan for the town. The board, functioning as a committee of the Planning Board, worked almost three years in the completion of the plan. When accepted, the Master Plan will form the basis for the Towns Zoning Ordinances.

Several personnel changes were required in 1981 including those brought about through the resignations of the Town Treasurer, Mr. George Westwood, and Chief of Police, Edward Morrill. Mr. Westwood resigned due to his relocation to the Town of Kingston, and Mr. Morrill, as a part of his retirement plans.

The Selectmen acknowledge each for their outstanding past service, and convey best wishes to them for the future.

The following projects were undertaken or completed during the year:

1. **House Numbering** of all parcels of land within the town.

STATUS: Initial numbering completed, the remaining task of preparation for notification of the public is being accomplished.

2. **Acquisition of Boston & Maine Property**, located at the Pow Wow river.

STATUS: All legal matters have been completed, including a survey of the land. Remaining is passing of papers and final payments.

3. **Soils Survey** of all town lands is completed, the report is being compiled and will be delivered to the Town in 1982.

4. **Acquisition of Rights to Trickling Falls** from the State of New Hampshire.

STATUS: In progress.

5. **Town Hall Improvements**. This project was undertaken as a beginning to more extensive Town Hall maintenance. As a first step, the entire ceiling area has been completely insulated.

6. **Library Interior Painting**. The interior of the library was painted for the first time in several years.

STATUS: Completed as of this report.

7. **Reappraisal of The Town.**

STATUS: Letters of solicitation were sent out and proposals reviewed. A firm has been selected to perform the reappraisal. An important feature of the proposal selected will allow us to maintain the valuations at 100% in the future through the use of computerization. Additional funds necessary to accomplish the reappraisal and system set up will be sought at Town Meeting.

8. **Parking Lot Extension**. The parking lot at the rear of the town hall has been extended to accommodate more automobiles, and to provide another entrance. The project will be continued this year as additional fill becomes available. Installation of culverts to permit natural drainage will be accomplished in the future.

9. **Railroad Crossing Repaired** - The Depot Road Crossing was repaired by the state after several requests from the Board of Selectmen.

10. **Library Parking Lot Paved** - The library parking lot was paved for the convenience of its patrons.

Appointments made during 1981 are as follows:

Henry F. Lewandowski, Jr., Chief of Police, 1 year
Wendel Whatmough, Town Treasurer, completion of term
Robert Fairbanks, Civil Defense Director, 1 year
Everett Stone, Building Inspector, 1 year
Janet Reagan, Police Matron, 1 year
Dusty Decatur, Deputy Town Clerk, concurrent with Town Clerk.
Dusty Decatur, Deputy Tax Collector, concurrent with Tax Collector
Richard A. Smith, Sr., Planning Board, 3 years
Donald C. Andolina, Police Officer, 1 year
Francis Waters, Police Officer, 1 year
Victor Porro, Police Officer, 1 year
Joseph Conti, Board of Adjustment, 4 years

Purchases of office equipment were made during the year as follows:

File cabinet - Planning board

With the aid of the new Chief of Police, the Selectmen have formalized and implemented new policies and procedures for the Police department. As a part of this policy, annual appointments were authorized for all officers, including the Chief. Previously, officers were appointed for indefinate terms.

The Town purchased its first new police cruiser during 1981. Unfortunately, the vehicle was destroyed as a result of an accident. No injuries were sustained, and the insurance coverage paid for most of the loss. A new Cruiser was put into service as of this report. The Selectmen acknowledge with thanks, the use of a Sheriff's department vehicle during the interium.

The Board of Selectmen welcome new residents to the town, and encourage them to consider taking an active part in community government and affairs. A number of Town committees and boards have vacancies for members and /or alternates. It is a wonderful way to become familiar with the Town and its people.

In conclusion, the board takes this opportunity to express its most sincere gratitude to all who worked so faithfully during 1981 in the performance of their responsibilties as officers, committee members, and employees of the town.

Respectfully submitted,
Walter B. Schlotterbeck, Chairman
Donald C. Andolina
Richard A. Smith, Jr.
Selectmen for the Town of East Kingston

TOWN BUDGET

State of New Hampshire

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at East Kingston Town Hall in said East Kingston on Tuesday, the 9th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to adopt the changes and/or Amendments to the Zoning Ordinance as proposed by the Planning Board. The changes and/or amendments are as follows:

Article VIII - Add the following:

F. Applicants for a building permit shall present a subdivision plan to the building inspector with the application when the requested permit is for a new dwelling.

G. An applicant for a mobile home permit shall submit a notorized purchase and sale agreement.

Article IV - Section D-6

6. Septic system leach field boundaries shall be located more than 20 feet from any property boundary and 100 feet from any standing or running water and 100 feet from any well.

Article III - A - A Change to Read

A. Building permits for new dwellings are limited annually to 3% of the number of dwellings in Town at the start of each calendar year.

Article IV - D-3 - Change to Read

3. Percolation test and soils analysis pit for individual septic systems and subdivisions shall be conducted in the presence of the Building Inspector, Health Officer and representative of the Planning Board. A fee of fifteen (15) dollars will be assessed for each soils analysis pit inspected.

3. To see if the Town will vote to adopt the provisions of RSA 72:43F for the adjusted elderly exemptions from property tax. These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, $10,000; for a person 75 years of age up to 80 years, $15,000; for a person 80 years of age or older, $20,000. To qualify, the person must have been a NH resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less then $10,000 or if married a combined net income of less than $12,000, and own net assets of $30,000 or less, excluding the value of the person's residence.

4. To see if the Town will vote to raise and appropriate the sum of $128,675.12 less estimated revenues of defray Town charges for the ensuing year.

5. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

6. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to supplement the sum of $10,000.00 approved by Warrant article 23, 1981 Town Meeting, to finance the cost of reappraising and revaluating of all Town lands and buildings in Town which are subject to taxation. Bids authorized by Warrant article 23, 1981, have resulted in appreciable savings compared to the previous estimate.

7. To see if the Town will vote to raise and appropriate the sum of $230.01 against the State appropriation of $1,533.40 for Class V Road Assistance.

8. To see if the Town will vote to authorize the Selectmen to receive and expend additional Highway Subsidy Funds, estimated to be $3,453.89 for the Construction or Reconstruction of Class IV and Class V Highways.

9. To see if the Town of East Kingston will vote to adopt the following Emergency Management Ordinance:

The Town of East Kingston ordains:

ARTICLE 1 - EMERGENCY MANAGEMENT OFFICE

Section A. Short Title

This Ordinance shall be known and may be cited and referred to as the "Emergency Management Ordinance of the Town of East Kingston.

Section B. Intent and Purpose

1. It is the intent and purpose of this Ordinance to establish an office that will insure the complete and efficient utilization of all of East Kingston facilities to combat disaster, natural or man-made, enemy attack or other disaster as defined herein.

2. The East Kingston Office of Emergency Management will be the coordinating agency for all activity in connection with emergency planning; it will be the instrument through which the community officials may exercise the authority and discharge the responsibilities vested in them in RSA, Chapter 107, State of New Hampshire, Civil Defense Act of 1950, as amended, and this Ordinance.

3. This Ordinance will not relieve any East Kingston Department of the moral responsibilities or authority given to it by local Ordinance, nor will it adversely affect the work of any volunteer agency organized for relief in disaster emergencies.

Section C. Definitions

1. The following definitions shall apply to the interpretation of this Article:

(a) "Emergency Management" in its broad meaning is to carry out the basic government functions of maintaining the public peace, health and safety during an emergency. This shall include plans and preparations for protection from, and relief, recovery and rehabilitation from, the effects of a natural or man-made disaster on the community. And it shall also include such activity in connection with an enemy attack as defined herein. It shall not, however, include any activity that is the primary responsibility of the military forces of the United States.

(b) "Disaster" includes but is not limited to actual or threatened enemy attack, sabotage, extraordinary fire, flood, storm, epidemic, radiological incident, or other impending or actual calamity endangering or threatening to endanger health, life or property or constituted government.

(c) "Attack" shall mean a direct of indirect assault against the Town of East Kingston, its government, its environs, or of the nation, by the forces of a hostile nation or the agents thereof, including assault by bombing,

radiological, chemical or biological warfare, or sabotage.

(d) "Emergency Response Resources" shall mean the employees, equipment and facilities of all City departments, boards, institutions and commissions; and, in addition, it shall include all volunteer personnel, equipment and facilities contributed by, or obtained from, volunteer persons or agencies.

(e) "Volunteer" shall mean contributing a service, equipment or facilities to the civil defense organization without renumeration.

(f) "Emergency Volunteer" shall mean any person duly registered, identified and appointed by the Coordinator of the Office of Emergency Management and assigned to participate in the Emergency Management activity.

(g) "Coordinator" shall mean the Coordinator of the East Kingston Office of Emergency Management as prescribed in this Ordinance.

(h) "Regulations" shall include plans, program and other emergency procedures deemed essential to Emergency Management.

SectionD. Organization and Appointments

1. The Board of Selectmen is hereby authorized and directed to create an organization for Emergency Management utilizing to the fullest extent the existing agencies within the community. The Board of Selectmen, as executive head of the municipal government, shall be responsible for the organization, administration and operation of emergency forces.

2. The organization shall consist of the following:

(a) An Office of Emergency Management within the executive department of the East Kingston government and under the direction of the Board of Selectmen. There shall be an executive head of the Office of Emergency Management who shall be known as the Coordinator of the Office of Emergency Management, and such assistants and other employees as are deemed necessary for the proper functioning of the organization.

(b) The employees, equipment and facilities of East Kingston Departments, boards, institutions and commissions, will participate in the Emergency Management, activity. Duties assigned to an East Kingston

department shall be the same or similar to the normal duties of the department, as far as possible.

(c) Volunteer persons and agencies offering service to and accepted by the Town of East Kingston.

3. The Board of Selectmen shall appoint a Coordinator of the East Kingston Office of Emergency Management who shall be a person well versed and trained in planning operations involving the activities of many different agencies which will operate to protect the public health, safety and welfare in the event of danger from disaster or enemy action as defined in this Ordinance.

4. The Board of Selectmen shall designate and appoint a person or persons to assume the emergency duties of the coordinator in the event of his absence or inability to act. The intent being that there will always and at all times be a representative of the Board of Selectmen in charge of the Town of East Kingston.

Section E. Emergency Powers and Duties

1. The Board of Selectmen

(a) The Board of Selectmen may exercise the emergency power and authority necessary to fulfill its general powers and duties. The Board of Selectmen shall be the sole criteria necessary to invoke emergency powers provided in this Ordinance Code and other appropriate authorities.

(b) During any period when disaster threatens or when the Town of East Kingston has been struck by disaster, within the definition of this Ordinance, the Board of Selectmen may promulgate such regulations as they deem necessary to protect life and property and preserve critical resources. Such regulations may include, but shall not be limited to the following:

1. Regulations prohibiting or restricting the movement of vehicles in order to facilitate the work of Emergency Management forces, or to facilitate the mass movement of persons form critical areas within or without the Town of East Kingston.

2. Regulations pertaining to the movement of persons from areas deemed to be hazardous or vulnerable to disaster.

3. Such other regulations necessary to preserve public peace, health and safety.

4. Regulations promulgated in accordance with the authority above will be given widespread circulation by proclamations published and uttered by newspaper and radio. These regulations will have the force of Ordinance when duly filed with the East Kingston Town Clerk and violations will be subject to penalty.

(c) The Board of Selectmen shall order Emergency Management forces to the aid of other communities, when required in accordance with the statutes of the State, and he may request the State or a political subdivision of the State to send aid to the Town of East Kingston in case of disaster when conditions in the Town of East Kingston are beyond the control of the local Emergency Managment forces.

(d) The Board of Selectmen may obtain vital supplies, equipment and other properties found lacking and needed for the protection of health, life and property of the people, and bind the Town of East Kingston for the fair value thereof.

(e) Board of Selectmen may require emergency services of any Town officer or employees. If regular Town forces are determined inadequate, the Board of Selectmen may require the services of such other personnel as they can obtain that are available, including citizen volunteers. All duly authorized persons rendering emergency services shall be entitled to the privileges and immunitities as are provided by state law for regular Town of East Kingston employees and other registered and identified Emergency Managment and disaster workers and, upon demand, may receive appropriate compensation for their emergency employment.

(f) The Board of Selectmen will cause to be prepared the Basic Plan herein referred to and to exercise their ordinary powers as Board of Selectmen all of the special powers conferred upon them by any statute or any other lawful authority.

2. Coordinator of the Office of Emergency Preparedness.

(a) The coordinator of the Office of Emergency Preparedness shall be responsible to the Board of Selectmen in regard to all phases of the Emergency

Management activity. Under the supervision of the Board of Selectmen shall be responsible for the planning, coordination and operation of the Emergency Management activity in the Town of East Kingston.

Under the supervision of the Board of Selectmen, he shall maintain liaison with the state and federal authorities and the authorities of other nearby political subdivisions as to insure the most effective operation of the Emergency Management plan. His duties shall include, but not limited to, the following:

1. Coordinating the recruitment of volunteer personnel and agencies to augment the personnel and facilities of East Kingston for Emergency Managment.

2. Development and coordination of plans for the immediate use of all of the facilities, equipment, manpower and other resources of East Kingston for the purpose of minimizing or preventing damage to persons and property; and protecting and restoring to usefulness governmental services and public utiltites necessary for the public health, safety and welfare.

3. Negotiating and concluding agreement with owners or persons in control of buildings or other property for the use of such buildings or other property for Emergency Managment purposes and designating suitable buildings as public shelters.

4. Through public informational programs, educating the civilian population as to actions necessary and required for the protection of their persons and property in case of disaster or enemy attack, as defined herein, either impending or present.

5. Conducting public practice alerts to insure the efficient operation of the Emergency Management forces and to familiarize residents with Energency Management regulations, procedures and operations.

6. Coordinating the activity of all other public and private agencies engaged in any emergency management activity.

7. Assuming such authority and conducting such activity as the Board of Selectmen may direct to promote and execute the Emergency Management plan.

Section F. Emergency Management Basic Plan

1. A comprehensive Emergency Management Basic Plan shall be adopted and maintained by resolution of the Board of Selectmen upon the recommendation of the Chairman of the Board of Selectmen. In the prepartation of this Plan as it pertains to the East Kingston organization, it is the intent that the services, equipment, facilities and personnel of all existing departments and agencies shall be utilized to the fullest extent. When approved, it shall be the duty of all municipal departments and agencies to perform the functions assigned by the Plan and to maintain their portion of the Plan in a current state of readiness at all times. The Basic Plan shall be considered supplementary to this Chapter and have the effect of law whenever a disaster, as defined in this Chapter, has been proclaimed.

2. The Board of Selectmen shall prescribe in the Basic Plan those positions within the disaster organization, in addition to their own, for which lines of succession are necessary. In each instance, the responsible person will designate and keep on file with the Board of Selectmen a current list of three persons as successors to his position. The list will be in order of succession and will as nearly as possible designate persons best capable of carrying out all assigned duties and functions.

3. Each service chief and department head assigned responsibility in the Basic Plan shall be responsible for carrying out all duties and functions assigned therein. Duties will include the organization and training of assigned employees and volunteers. Each chief shall formulate the operational plan for his service which, when approved, shall be an Annex to and a part of the Basic Plan.

4. Amendments to the Basic Plan shall be submitted to the Board of Selectmen. If approved, such amendments shall take effect 30-days from the date of approval. In the event an amendment is pending at the time that a disaster is proclaimed under provisions of this Chapter, the amendment will be considered approved immediately and will remain effective unless specifically revoked.

5. When a required competency or skill for a disaster function is not available within the city government, the Board of Selectmen is authorized to seek assistance from persons outside of government. The assignment of duties,

when of a supervisory nature, shall also grant authority for the persons so assigned to carry out such duties prior to, during and after the occurrence of a disaster. Such services from persons outside of government may be accepted by the Town of East Kingston on a volunteer basis. Such citizens shall be enrolled as emergency volunteers in cooperation with the heads of East Kingston departments affected.

6. Some of the duties ascribed to the Board of Selectmen in this section will ordinaily be handled as a matter of routine by the Emergency Management Coordinator - but the responsibility and authority stem from and remain with the Board of Selectmen.

Section G. No Municipal or Private Liability

1. This Ordinance is an exercise by the Town of East Kingston of its governmental functions for the protection of the public peace, health and safety and neither East Kingston nor agents and representatives of said Town of East Kingston, or any individual, receiver, firm, partnership, corporation, association, or trustee, of any of the agents thereof, in good faith carrying out, complying with or attempting to comply with any order, rule or regulation promulgated pursuant to the provisions of this Ordinance, shall be liable for any damage sustained to persons or property as the result of said activity.

2. Any person owning or controlling real estate or other premises who voluntarily and without compensation grants the Town of East Kingston the rights to inspect, designate and use the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual, impending or practice disaster or an enemy attack shall not be civilly liable for the death of, or injury to, any persons on or about such real estate or premises under such license, privilige or other permission, or for loss of, or damage to, the property of such person.

Section H. Violation of Regulations

It shall be unlawful for any persons to violate any of the provisions of this Ordinance or of the regulations or plans issued pursuant to the authority contained herein, or willfully obstruct, hinder or delay any member of the Emergency Management organization as herein defined in

the enforcement of the provisions of this Ordinance or any regulation or plan issued thereunder.

Section I. Penalty

Any person, firm or corporation violating any provision of this Ordinance or any rule or regulation promulgated thereunder, upon conviction thereof, shall be punished by a fine of not more than $100.00 Dollars, and costs of prosecution, or imprisonment in the County Jail for a period of not more than ninety (90) days, or both such fine and imprisonment, in the descretion of the Court.

Section J. Severability

Should any provision of this Ordinance be declared invalid for any reason, such declaration shall not affect the validity of other provisions, or of this Ordinance, as a whole, it being the legislative intent that the provisions of this Ordinance shall be severable and remain valid notwithstanding such declaration.

Section K. Conflicting Ordinances, Orders, Rules and Regulations Suspended

At all times when the orders, rules and regulations made and promulgated pursuant to this Article shall be in effect, they shall supersede all existing ordinances, orders, rules and regulations insofar as the latter may be inconsistent therewith.

Section L. Effective Date

This Ordinance shall take effect on the 15th day of March 1982.

10. To see if the Town will vote to empower the Planning Board to review and approve or disapprove site plans for the development of tracts for non-residential uses or for multi-family dwelling units other than one and two family dwellings, whether or not such development includes a subdivision or re-subdivision of the site, and to adopt regulations relative to site utilization in accordance with RSA 36:10a as revised and amended.

11. To see if the Town will vote to appropriate and allocate Revenue Sharing funds of $9,627.19, said sum being made up of interest of $492.47, allocated but unexpended, Insulate Town Hall funds of $332.72 and unappropriated funds of $8,802.00 to be allocated for the following projects:

$5,000.00 - Reconstruction of approximately 200 feet of Giles Road

332.72 - Insulation of Town Hall

4,294.74 - Replace clapboards, reset/replace windows and paint Town Hall

12. To see if the Town will vote to raise and appropriate the sum of $9,000.00 to be added to the Fire Truck Reserve Fund.

13. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to be added to the Police Department Automobile Capital Reserve Fund.

14. To see if the Town will vote to appropriate and allocate $7,500.00 funds presented to the Town by the University of New Hampshire in lieu of taxes and deposited in the General Fund in the amount of $6,750.00 to the Fire Truck Reserve Fund and $750.00 to the Police Department Automobile Capital Reserve Fund. These allocations are not intended to increase the money to be added to the Fire Truck Reserve and Police Department Automobile Capital Reserve Funds already approved by Articles 12 and 13.

15. On petition of Gloria L. Shannon and ten (10) others to see if the Town will vote to raise and appropriate the sum of five hundred ($500.00) for continuation of the Mediation Program which has proven to be of real value to the communities served by the Exeter District Court in dealing with troubled juvenile situations.

16. To see if the Town will raise and appropriate a sum note to exceed $3,000.00 for a Hydrolic Survey of the Town. Results of survey will be used to identify sources of water, water location and water quality in different parts of Town and will provide basis for wetlands preservation and water pollution prevention ordinances.

17. To see if the Town will vote to raise and appropriate the sum of $5,500.00 to pay Firemen for Fire Calls and training, and the unused portion to be put in the Fire Truck Capital Reserve Fund.

18. To see if the Town will vote to raise and appropriate the sum of $808.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 11 residents of the Town of East Kingston during the period July 1, 1980

through June 30, 1981, inclusive. These residents used $2,760.00 worth of services, however, only $808.00 could be billed according to their ability to pay. We, therefore, request the minimum amount needed from the Town, in this instance being $808.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.

19. To see if the Town will vote to raise and appropriate the sum of $1,322.50 for the Exeter Visiting Nurse Association.

20. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or a private source which becomes available during the fiscal year accordance with the procedures set forth in RSA 31:95-b.

21. To see if the Town will accept the Reports of the Town Officers and auditors as printed in the Town Report.

22. To transact any business that may legally come before this meeting.

Given under our hands and seal, this 19th day of February, in the year or our Lord nineteen hundred and 82.

LIBRARY TRUSTEES REPORT

The East Kingston Public Library is open 12 hours a week. Mondays 12-4; Wednesdays 12-4 and 6-8 and Saturdays 9-12.

The children continue to be our largest number of users. How much many adults are missing by not using our really excellent library!

As always we do have many interested people who have contributed books and magazines. The Polletta family has made a generous contribution of money for children's books. We are indeed grateful to all of these people.

The summer reading program was very successful with clever incentives devised by our wonderful librarian. Twenty-seven children participated.

Many townspeople do enjoy the library. We will be very glad to welcome more adults.

A rabies vaccination clinic will be held on Saturday, April 17, 1982, from 2:00 p.m. until 4:00 p.m. Vaccinations will be $4.00 each. The town clerk will be on hand to license dogs.

Dick Marcella, the local game warden, has made me aware of the problem of dogs chasing and killing deer. The snow has been deep, food for deer scarce, and the does are pregnant. These factors have made deer easy prey for dogs, and all dog owners are urged to keep dogs confined especially during the months of February, March and April. When the snow is gone, the fawns are born and more food available, the deer are more able to escape dogs.

Sincerely,
Robert A. Martson

POLICE DEPARTMENT REPORT - 1981

A few changes were brought about in the department in 1981.

Through the efforts of the townspeople and the Police Association, a new cruiser was purchased, equipped, and put into service. Unfortunately, shortly thereafter, it was involved in an accident and destroyed. By the time this report reaches you, we hope to have received it's replacement. In the interim, we have been fortunate in obtaining a spare cruiser from the Sheriff's Department for our use.

In 1980, the Legislature passed a statute requiring that all part-time police officers be certified through Police Standards and Training. Currently, four officers are certified, and any newly appointed officers will be required to attend the necessary schooling to attain certification.

We have increased the hours of both daytime and nighttime patrols to help alleviate the increasingly heavy traffic and increased crime in the area. Hopefully, we can continue to do so in 1982.

Again — a reminder to all residents of the new Police Emergency Number. It has been changed to 679-2225. Please do not hesitate to call this number for assistance at any time.

With regrets, the town accepted the retirements of Chief Edward Morrill and Officer Lon Travis, and the resignation of Officer Lawrence Zagranis, after many years of dedicated service to the town and the Police Department.

Respectfully submitted,
Henry F. Lewandowski, Jr.
Chief

ANNUAL REPORT
EAST KINGSTON POLICE ASSOCIATION

The Association elected a new slate of officers for 1981 as follows:

Frank Waters, President
Henry Lawandowski, Jr., Vice President
Victor Porro, Treasurer
Donald Andolina, Recording Secretary

It was necessary to renew the articles of incorporation with the Secretary of State during the year. No changes were made to previous articles.

The Association continued to support the Police Department through substancial contributions toward cruiser and other police equipment.

As in the past, the Association sponsored the Annual Fishing Derby, and contributed toward the Recreation Committee's summer program for children.

The membership wishes to express its sincere appreciation to friends who have faithfully supported the Association through participation in the monthly drawings. A special thanks to Carmen's for donating a bucket of fried chicken each month as a second place prize of the drawing.

We will be looking for new ways to raise money in 1982 and solicit your continued support.

Respectfully submitted,
Donald C. Andolina
Recording Secretary

A MESSAGE FROM THE FIRE DEPARTMENT

To all persons who live in the town. Recent passage of a bill in Concord which took effect Jan. 1, 1982.

That all **New** and **Existing** single family dwelling will have a automatic fire warning system. This can be wall or ceiling mounted, containing an ionization chamber or photoelectric type of smoke detector, with audible alarm. This unit will detect visible or invisible particles of combustion which would sound the alarm. They can be powered by house current or battery.

For those that have battery operated detectors, let us go one step further. In the fall when it is Fire Prevention Week let all of us use that week as Battery Replacement Week.

In Case Of Fire In Your Home
Call The Fire No. 642-5266

Thank You
Robert Belcher
Fire Chief

ACTIVITIES OF THE FIRE DEPARTMENT FOR 1981

We have had a very active year. Some of the things we have done. With men in to check the fire house to make sure everything is ready for any call that may come in.

The Department responded to calls for use of the generator, portable pump, and other assist to the public.

We also took part in two mutual aid drills which were in Kingston.

During the year we participated in several parades in the surrounding towns: Exeter - 2, Epping, Kingston, Danville, South Hampton, and Hampstead.

We also held Fire Drills in the town schools.

THE ANNUAL REPORT OF THE EAST KINGSTON VOLUNTEER FIREMEN'S ASSOCIATION

We held our Annual Association Meeting in April. The new officers elected were:

President - Adam Mazur, Jr.
Vice President - Everett Stone
Secretary - Robert Reagan
Treasurer - Robert Fairbanks

Our Annual Supper was held in April, Buffet Style setting with all the fixings. Entertainment was provided at the supper by Robert Culiford who presented slides on major fires.

Our Annual Lobster Festival was held regularly the second week of August, with a great success. The following day the Annual Firemans Parade and Field Day were held. The field day was run by the East Kingston Muster Team, with teams traveling as far as 60 miles for the days events. We gave our thanks to the Kingston Ambulance Service for the coverage for the day.

The Muster Team attended six musters in surrounding towns, receiving many trophies.

The Fire Association put on a party for Francis Smith in celebration of his 70th birthday, and his many years of fire services.

Santa Claus annual rounds were made on Christmas Eve through the streets of East Kingston, on the back of a fire truck. The firemen gave thanks to the East Kingston Recreation Committee for providing the candy for Santa and his elves to handout.

The Fire Dept. Association gained many new members this year.

We need the support of the town.

Respectfully yours,
Adam J. Mazur, Jr.
President

EAST KINGSTON
EMERGENCY SQUAD REPORT

The East Kingston Squad has begun its 4th year of service to the town. During the year 1981, the squad has made 20 runs of varying natures.

The squad purchased a portable suction unit, an EOA (Airway), disposible items, a blood pressure cuff and stethoscope and five portable CPR masks. There are now eight squad members who provide coverage to the town 7 days per week from 7:00 p.m. to 7:00 a.m.

Anyone requiring help may reach the squad by calling 772-5912. The police and the fire depts. have own numbers also.

Any town person interested in becoming a member of the squad please call me.

I am requesting town money to cover the following items.

Disposable Items

Education expenses (See Report)

Sincerely,
Wilma A. Young

CONSERVATION COMMISSION

One Dredge and Fill Permit was filed this year from a residence on Stage Coach Road. This was to construct a wildlife and recreation pond. The permit was approved.

Our committee submitted a Town Warrant Article which was passed at last town meeting. The article was for a Soils Survey map of the Town to be done by the United States Soil Conservation Service.

Respectfully,
Donald R. Ross
Chairman

REPORT OF ROAD AGENT

The year of 1981 began with little snow and ice to be taken care of. The money not needed for the first part of the winter season however was needed for the final winter months which brought a lot of snow and ice.

In the summer months oiling was done on South Road signs were also replaced.

In the summer months oiling was done of South Road from Stage Coach Road to South Hampton, and a parking lot was started behind the Town Hall.

Stumpfield Road project was completed this summer also to include completion of the oiling.

The railroad right of way in the vicincty of Sanborn Road crossing was brushed to improve visability.

Road Agent

ANNUAL REPORT
EAST KINGSTON HISTORICAL COMMITTEE

The last year has been a difficult one for the Historical Committee. Our loss of Frederic Smith, with his knowledge of the town, his devotion to its history, and his imaginative approach to our problems were a severe setback. We have also found it increasingly difficult to meet in full committee. As a result some of our work has been hampered. We desperately need assistance locating the materials of history, — pictures, deeds, genealogies, references to little known publications, town records of all sorts. We have had generous help during the past years, but our needs ever expand.

During the past year Mrs. Polletta has assisted the Sounding Board and has made an inventory of our historical materials in the Library. We have added to our files of deeds and genealogies. Francis Smith gave us many town documents, 1850-1900. Mrs. Baker added many loose papers of the Selectmen, 1840-1877. Our need for more fireproof storage space at the library is serious.

Some of our current interests are in making a definitive list of the cellar holes of the town, in locating further sites of old family graveyards, and in assembling and editing the articles on the history of East Kingston published in the *Exeter Gazette*, 1879-1881. We invite your active participation.

REPORT OF THE EAST KINGSTON PLANNING BOARD 1981

The Planning Board meets in the Town Hall on the third Wednesday of each month at 7:30 p.m. Everyone interested is welcome to attend.

The Sounding Board is working on completion of the Master Plan and hopes to have it completed by the end of the year.

The Board held public hearings for three subdivisions for a total of five new lots. All were approved.

During the year, 9 tests pits and percolation tests were viewed by members of the Planning Board.

Six major plans (plaque surveys) were signed by the Planning Board for recording purposes only.

Work was done on changes to Zoning Regulations. Five changes have been proposed and will be presented as ballot items for your vote at Town Meeting.

Richard A. Smith
Chairman, Planning Board

ANNUAL REPORT
EAST KINGSTON BOARD OF ADJUSTMENT
1981

The East Kingston Board of Adjustment meets in response to applications for individual relief from the general application of the zoning laws of the Town. Applications received prior to the fifth day of the month will have a public hearing scheduled on the fourth Tuesday evening of that month. Applications received after the fifth day will have a public hearing scheduled for the fourth day of the following month. The time delay is necessitated in order to comply with the legal notice periods required by law.

In 1981, the Board met in response to three applications. In January, a rehearing was held at the request of Robert E. Jackson o/b/o Josephine M. White. The Board had earlier denied a request by Mr. Jackson to place a house trailer on land owned by Mrs. White, located off of Rowell Road. Mr. Jackson proposed to purchase the property subject to a favorable decision by the Board. The earlier appeal was denied due to a total lack of frontage (Article VI, A). The request was again denied following the rehearing. In March, Mr. Jackson applied for and was granted a new hearing on basically the same issue, due to new information he proposed to present. This appeal was denied for the same earlier reasons as well. A hearing was held in November at the request of Walter G. Carter, Jr., and Donna M. Carter for a variance to permit frontage of 192.12 feet (required is 200 feet) on a building lot of 28.8 acres located on Willow Road. This request was approved subject to no further subdivision of the parcels in question.

In addition to the above, the Board authorized the release of a $10,000 bond by Frank Colanton relative to progress on his efforts to construct a golf course on property he had acquired (previously the Ross farm) located on Rt. 107.

Application for variances may be obtained from the Selectmen's Office or from Mrs. Carolyn Merriam, Clerk, Board of Adjustment.

REPORT OF THE CIVIL DEFENSE DIRECTOR

I assumed the duties of Director in April. Since then I've attended indoctrination seminars and made trips to State Headquarters in Concord. I have worked in locating equipment previously acquired by the Town Civil Defense Department and stored in various locations. One result of this is we have been able to provide the Town Police and Rescue Squad with wool blankets for emergency use at accidents and other medical emergencies.

The Department was also able to obtain copies of the latest Hazardous Materials information and distributed these to Police, Fire and Rescue Personnel.

The Department has for the past several years had two vehicles assigned to it thru the Federal Excess Property Loan Program. One vehicle, a Jeep, has been in use by the Fire Department. The Fire Engineers have now deemed it excess and I have arranged for its transfer to the Town of Kingston for use by it's Fire Department. The other vehicle is a 1¼ ton all wheel drive oversized military pickup truck. It is available for use by any town organization. The University of New Hampshire has graciously loaned the C.D. Department use of its barn at the Rosenberg Conference Center to garage this truck.

Nationwide the Civil Defense Agency is changing. It has been transferred from the Dept. of Defense to the Federal Emergency Management Agency (FEMA). This change will enable the existing C.D. Organization to help the public in a wide range of public emergencies as well as defense from military action. In order to make this change for the betterment of East Kingston, I have been working with State and Town Officials on the development of an Emergency Management Plan for East Kingston. This plan will be a *"guide"* for Town Departments to refer to in time of emergencies such as a transportation of hazardous material accidents on the railroad or roadways in town, weather related emergencies such as storms or flooding natural disasters as earthquakes or large woodland fires, or a nuclear incident. To implement this change in operating concept the East Kingston Civil Defense Director has asked the Selectmen to adopt the ordinance that appears

elsewhere in this Town Report. Adoption of this ordinance will enable East Kingston to continue receiving Federal and State assistance with this program.

My plans for 1982 are the completion of an Emergency Management Plan for the Town and possibly conduct a field exercise to evaluate its effectiveness. If you have any questions about the program or would like to lend your personal skills or expertise, please feel free to call me at 642-5382.

Respectfully submitted,
Robert E. Fairbanks, Director

REPORT OF BUILDING INSPECTOR

During the period of February 1, 1981 to February 1, 1982, there were 31 building permits issued in the town of East Kingston.

3 - Houses
4 - House Trailers
5 - Garages
3 - Barns
6 - Additions Alterations & Remodeling
2 - Pools
12 - Miscellaneous

Please take note of the change in
RSA 153:10-a

Requiring automatic fire warning systems in all new and existing single family dwelling completed or substantially rehabilitated after January 1, 1982.

Notice: Uninsulated sheet metal flues are not acceptable for chimneys of fuel burning appliances per Town Zoning Ordinance Article 8D.

Respectfully submitted,
Everett Stone

RECREATION COMMITTEE REPORT 1981

In the early part of 1981 the Recreation Committee met to review our budget plans for the future. These were forwarded to the Sounding Board to be incorporated into the town's long range plans.

Events we sponsored or cosponsored this year are as follows: the annual fishing derby (in conjunction with the Police Association and the N.H. Fish and Game Dept.) Family Field Day and a Halloween party. In lieu of a Christmas party we donated and bagged the candy given out by the firemen and Santa on Christmas Eve.

A summer program was offfered at Foss-Wesson Field running 4 hours a day (5 day week) for a month. Activities were ably arranged and supervised by Mary Marcella. The Little League and Merry Seniors received their allocated funds as usual. Preschool kindergym and story hour are being directed by Ann O'Bara & Judy Bartlett. We attempted offering after school programs but were unsuccessful due to lack of interest.

We have purchased a baby swing and paid for lawn maintenance.

The Committee welcomed the addition of Becky Chesnut who joined Pat Mazur, Mary & Toby Russell, Molly Allen and myself.

We thank all of the above listed people who have contributed their time to us and the town. We mention a special note of thanks to Ruth Poggio and the firemen and policemen for their interest and support.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc. is a community health service that provides health care to individuals and families in their home, in the office, or in clinics. The care may be to prevent disease, promote , maintain, or restore health, or it may be to minimize the effects of illness or disability.

The Association is a non-profit agency governed by a Board of Directors. This Board is made up of people who are appointed by the selectmen in your town.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the town.

HOME CARE. Professional nurses give care to the sick and disabled under medical direction, teach and supervise care given by the family and others. Care is family centered and consideration is given to the total needs of the patient and family for health promotion and disease prevention and rehabilitation as well as care and support during the dying process. The service area was divided into districts this year with specific nurses providing care in their district. An answering device has been put into use this year making services more available. A marked increase in weekend visits has become apparent due largely to earlier hospital discharge.

MATERNAL AND CHILD HEALTH. Visits are made to new or expectant mothers to provide information and instruction in the care of themselves and their babies. Well Child Clinics are held two to three times a month and provide the following services: Physical exams by a local physician, immunizations, hearing and vision screening, blood and urine tests, instruction in growth and development. The clinics are for infants and preschool children. This program has been reorganized this year and the number of clinics increased to accommodate increased numbers of eligible children. The Exeter clinics are now held at the VNA office and a new developmental screening has been added. These changes were made to increase cost effectiveness as well as the quality of service.

ADULT HEALTH SCREENING. Clinics are held each month to check blood pressure and provide diet and medication counseling, and general health Instruction. The High Blood Pressure Program was expanded during the last half of the year to include the young and middle-age adult population. Diabetes screenings are held through the area, and tuberculosis testing is also done.

FLU CLINICS. 12 Clinics are held each Fall (1 in each town) to immunize hi-risk (65 yrs. and over, or chronic disease) persons against influenza.

THERE IS NO CHARGE FOR ANY CLINIC SERVICE

CONTINUING CARE. An Agency nurse is in the local hospital part of each day to assist in planning, coordinating and arranging for care at home so that a person can move from hospital to home and continue to receive the required care he/she needs.

10,959 units of service were provided to residents of the service area between January 1, 1981 and December 31, 1981. (Individual town statistics are sent to the selectmen of each town).

The Agency works closely with other health and social agencies to ensure the most comprehensive care possible to the residents of the participating towns. The Agency continues to maintain its Medicare and Medicaid certification and is a member of the Community Health Care Association of New Hampshire.

The Association relies upon many valuable volunteers who work at the clinics and in the office in addition to regular staff.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 A.M. to 4:00 P.M., 772-2981 or write to 26 Prospect Avenue, Exeter, NH 03833.

Mrs. Rita Fairbanks, Representative, Board of Directors.

EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by Moderator Robert Donovan at 7:04 p.m. on Tuesday, March 3, 1981, at the town hall. He reminded the voters that the District Officers would be elected by ballot on Tuesday, March 10, at the town hall between 10:00 a.m. and 7:00 p.m. In regards to that, Mr. Donovan explained that on the ballot they will receive that day, under the heading "Auditors", the name of Susan Oechsle was misspelled. It reads "Oechele" instead of "Oechsle". He had Mrs. Oechsle stand so the voters would know who she was.

Mr. Donovan wavied the reading of the Warrant with no objection from the floor as each Article would be read as it is acted on.

Article I - To see if the District will vote to raise and appropriate a sum not to exceed $10,334.00 (Ten Thousand Three Hundred and Thirty-Four Dollars) for the purpose of purchasing and installing storm windows at Brown's Academy.

Motion to raise the sum needed for storm windows at the Academy was made by Mel Bowley and seconded by Wilma Young. In answer to an inquiry from Kent Shepherd as to what estimates had been received, Mel Bowley explained they had received two. One from DaVac (Hill Manufacturing Company) of Monroe, NH; and one from Kawall of Manchester, NH. The windows would be secondary ones but of primary quality. By replacing the windows, a 30% (Thirty per cent) savings in the cost of heating the building would be realized according to the reports received by the Board.

Lou Tilton stated "Brown's Academy has gone through 80 winters and survived very well". He can not see the need for that kind of expenditure, especially where the winters are getting warmer.

Edward Oechsle asked about the cost of the oil used and was told it would be $4,150 (Four thousand one hundred and fifty dollars) just for the Academy. This brought forth several questions concerning the number of gallons used, the exact cost this year, and how next year's figure was arrived at.

Also brought out was the fact that it would take approximately eight years or so before the cost of the windows would be made up in fuel savings. The building might not be in use as a school then. The fact that it would still belong to the town was pointed out by Carol Davis. It would be considered a wise investment looking ahead.

The motion was voted no.

Article II - To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local, or federal agency.

Motion was made by Wilma Young and seconded by Rita Fairbanks. The Board was questioned as to whether they could apply for and expend money on a matching funds basis under this Article. It was explained under this Article only free funds could be applied for.

Frances X. Cronin made a motion to amend the Article to state "No additional funds will be utilized in order to gain or offset getting School District Funds or grants". Seconded by John Ioia.

David Andrezjewski inquired if it wasn't implied under the article as it was that no matching funds could be used. As the article is originally, they could not use matching funds, the amendment just makes it clear.

The motion to amend failed.

There was no further discussion on the original motion. Voted yes.

Article III - To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials, and agents and for the payment of the statutory obligation of the District.

Motion was made by Rita Fairbanks to raise and appropriate the sum of $528,565.00 (Five hundred twenty-eight thousand five hundred sixty-five dollars) for the purpose of this Article. Seconded by Mel Bowley.

Susan Oechsle pointed out there was no money

proposed for Special Education Transportation. Chairperson Rita Fairbanks explained it was under Special Education instruction. She believed it was under "Tuition - private" but wasn't sure. It was there somewhere.

Daniel Guilmette brought forth the suggestion the Board look into the possibility of East Kingston owning its own bus. The Board said they could do that. The District, under law, has to provide transportation for children until they are sixteen years old. One option is to just bus them until they are sixteen. Another is to charge so much per month, semester, etc., per student after the sixth grade. The concern in that instance is what happens to the ones who can not pay.

Owning our own bus has a lot of hidden costs, such as insurance, upkeep, extra drivers to cover for sickness, etc., extra bus in case of breakdowns, etc. It is a possibility, however.

Robert Belcher asked if the contract for transportation was sent out for bids. The answer was no.

David Andrzejewski questioned the tuition cost increase over last year. In 1980-81, junior high was $1621 and the high school $1657. In 1981-82, the junior high will be $1884. and the high school $1955. It is about a 16% (per cent) increase for junior high and an 18% (percent) increase for the high school. In 1979-80, junior high was $1357 and high school $1494.

Superintendent Fred King explained the tuition for 1981-82 is based on the current year's cost. Exeter's rate went up 18% (per cent) for the year. Mr. Andrzejewski then asked the cost of educating the children at the elementary school. It was $1028 per pupil. He wondered if it would be feasible to educate our seventh and eighth graders here in town. Mel Bowley explained we were "married" to the agreement with Exeter for a good many more years. The contract is a good one right now. We also cannot offer the students the programs available to them in the AREA junior high.

In answer to an inquiry by Donna Shepherd in regard to Exeter refusing to accept our students if they get overcrowded, Superintendent King stated the agreement does not run out in six or seven years as some think. It is

permanent, and cannot be broken by Exeter as long as we choose to send our children there. In order for us to send our children elsewhere, it would take a two-thirds vote. Mr. King also said he didn't see any major change in the enrollment figures for the next five or six years.

Dave Conti said he thought the tuition for the Vocational Education programs was separate from the high school. Mr. King explained the cost of the Voc Ed was included in the high school tuition cost and was set up that way by the state.

Frances Cronin asked if there was a statutory requirement to pass the budget. What would happen if it was voted down? He was told there is a law that you have to educate the children.

Motion passed with one dissenting vote.

Article IV - To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

Daniel Bodwell presented the report of the Salary Review Committee that was appointed March 6, 1979. He apologized for their not having it ready last year.

The report is printed in the town report on page 80.

They wanted the figures placed on the Warrant but were unable to do so because of circumstances. The committee, consisting of Mr. Bodwell, Richard Kelley, and Alice West, want to present their recommendations now for consideration.

School Board Members now receive $200; recommended is $250 for regular members, $300 for the one serving as chairperson. Treasurer: now $190, recommended $200. Moderator: now $10, recommended $25. Clerk now $10, recommended $15. Auditors: now $10 each, recommended $15 each.

They also suggested the Supervisors of the Check List receive $15 apiece for each meeting where they have to be present.

It was explained that the actual funding would not take place until next year even if the recommendations were adopted at this meeting. Dave Andrzejewski made a motion to accept the recommendations of the Salary Review Committee, seconded by Dave Conti, and so voted.

Article V - To transact any other business that may come before this meeting.

Wilma Young expressed the appreciation of the Board to Catherine Gallagher for the sixteen years she served as district treasurer. This was unanimously endorsed by applause. Mrs. Gallagher thanked everyone and stated she had enjoyed working with the Board and Selectmen, etc.

The list of "School Board Orders Paid" was ommitted from the printed Town Report. Photo copied sheets are included with the written records.

Motion to adjourn was made by Elliott Estey, seconded by Janet Reagan, and so voted at 8:20 p.m.

Respectfully submitted,
Catherine J. George

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of East Kingston, in the County of Rockingham and said State, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on the Second day of March, 1982, at 7:00 o'clock in the evening, to act upon the following subjects:

1. To see if the District will vote to change the term of office for School District Moderator, Clerk, and Treasurer from one year to a period of three years. Said change will begin with the 1983 March election.

2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and must be exempt from all provisions of RSA 32 relative to limitations and expenditures of School District monies.

3. To see if the District wishes to request from the Commissioner of Education a waiver of the requirements stated in RSA 189:11-a which requires the establishment of a school lunch program.

4. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

6. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

7. To transact any other business that may come before this meeting.

Given under our hands at East Kingston this 15th day of February, 1982.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Once again it is my pleasure to address the citizens of East Kingston regarding their schools. We have much to be proud of in the East Kingston Schools. The student achievement continues to show high scores in Unit #16. This can be attributed to our dedicated staff, a hard working principal and the support given the schools by this community.

Jeff Quinn, the principal, has commented on a number of important elements that help make a good school. His report is as follows:

"Your East Kingston Schools continue steadily in its' endeavor - instruction and training of your children. It is an awesome task, but one that is accomplished by a combined effort of parents, community, staff and administration.

As the Staff, we continue to be supported by the energetic people in the community. This year saw a formal development of our School Volunteer Program. Our School Coordinator, Brenda Pillsbury, has worked very hard organizing people to work in the schools. We also continue to be assisted by Jane Bowley for our Library Program, and the P T O remains a very enthusiastic and active group. To all of you, who work for the benefit and enrichment of each of the children, we are very grateful.

Enrollment in the Elementary School has dropped by 10 students since the last report. Our current First Grade class numbers 13 students, while our Sixth Grade is the largest, at 30 students. The enrollment at this time is 117 students in Grade One through Six.

We are in a continuing process of reviewing areas of the curriculum. During this year, we adopted a new Science series to be taught in each of the grades. Also we have established greater continuity in handwriting, with the adoption of a penmanship program.

Our test scores continue to affirm the success and hard work of most of our children. Emphasis is given to assisting those in need of special help. We are supported by specialists who are available to the school on a limited basis.

Finally, we would like to welcome to our Staff, Mrs. Nancy Burns, Mrs. Madelyn Gray, Miss Mary Collins, and

Mr. Fred Duchemin, as 5th Grade Teacher, 2nd Grade Teacher, 6th Grade part-time Teacher, and Custodian respectively.

The Staff looks forward to the continued cooperative efforts between school and home for the education of our children. We thank you for your support".

Special Education programs as a result of State and Federal Statutory requirements continue to cost the district more money in each budget year. In 82-83 a larger portion of tax dollars will go to educating the handicapped. This is due to three main reasons, the federal money has been reduced, the new state special education law puts a larger portion of the financial burden on the districts and thirdly, there appears to be more children requiring services. We will continue to investigate ways of delivering of special education services at lower costs, but I wish to alert you through this report that special education services are expensive and we are somewhat limited by law in reducing these costs.

This year three areas are under review. These are our grade 1 to 8 "level" system of presenting the basic subject areas, the reading system, and the method of reporting to parents, namely the "report card". At the same time a study of the high school curriculum has gotten underway. This committee will be reviewing what is taught at the secondary level and making new recommendations for proposed curriculum changes. The report is not due until next November 1982.

I think the evidence is clear that we do indeed have a good school system. We are not perfect and will continue to assess the school programs. Our in-service work through early release continues to give teachers the latest ideas and methods for use in their classrooms. As educators, we must continually seek to maintain and improve student achievement, not only at the elementary level but as your students move on to the Junior and Senior High School. To do less is to be less professional than we can be. As superintendent I feel I have been privileged to work with good school board members and many fine interested parents. This is important to me. I feel I've tried to give my "best" to your schools, and with the help of the staff the results are positive. I hope I can continue to serve you well

in the coming year. Times are "tough" and the tax dollar has to be constantly evaluated in terms of the product. This product is a well informed student that is ready to face life in the 21st Century.
